

Priorities for school improvement 2023-2024

Impact of quality teaching and learning is evident for ALL pupils

- Pupils are ready for their next steps in education
- Pupils allocated pupil premium funding make good progress along with non-pupil premium pupils.
- An ambitious writing curriculum in upper KS2 linking with reading curriculum
- Subject pedagogy explored through the recording and presentation of learning
- Improvements and impact we have made over the last 4 years is sustained

Active listening and proactive attitudes

- Pupil Voice is at the heart of the St Mary's community
- To become a centre of excellence for Oracy
 - A wide range of support and opportunities to develop support at home.
- The transition for new children coming to St Mary's includes pupil support

'Dat deus incrementum' (God gives us Growth)

For every child to flourish and achieve great things.

Going above and beyond!

- A range of clubs and enrichment offered in the curriculum and beyond.
- The St Mary's curriculum ensures all children have enriched learning opportunities
- The school sustains the improvements made to personal development from the past 4 years

Outstanding leadership at all levels

- A developed use of community across the school through the leadership of pupils
- Communication to those outside of the school is clear and consistent
- Accountability in all leadership roles through clear responsibility delegation
 - Sustaining our Catholic ethos
