Privacy notice for governors

Under data protection law, individuals have a right to be informed about how the school uses any personal data we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about our school governors.

We, St Mary's Catholic Primary School, Ann's Hill Road, Gosport, are the 'data controller' for the purposes of data protection law.

Our data protection officer is Helen Cook, School Business Manager (see 'Contact us' below).

The personal data we hold

We process data relating to our School Governors. Personal data that we may collect, use, store and share (when appropriate) about you includes, but is not restricted to:

- Contact details
- Information about business and pecuniary interests
- We may also collect, store and use information about you that falls into "special categories" of more sensitive personal data. This may include information about (where applicable):
- Race, ethnicity, religious beliefs, sexual orientation and political opinions
- Disability and access requirements

Why we use this data

The purpose of processing this data is to support the school to:

- Establish and maintain effective governance
- Meet statutory obligations for publishing and sharing governors' details
- Facilitate safe recruitment, as part of our safeguarding obligations towards pupils
- Undertake equalities monitoring
- Ensure that appropriate access arrangements can be provided for Governors who may require them

Our lawful basis for using this data

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need to:

- Comply with a legal obligation
- Carry out a task in the public interest

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way May 2018
- We need to protect your vital interests (or someone else's interests)

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent and explain how you go about withdrawing consent if you wish to do so. Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify our use of your data.

Collecting this information

While the majority of the information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

How we store this data

Personal data is stored in accordance with Hampshire County Council's record retention policy. The Clerk to the Governors maintains a file to store personal information about all our school Governors. The information contained in this file is kept secure and is only used for purposes directly relevant to your work with the school.

When your relationship with the school has ended, we will retain and dispose of your personal information in accordance with Hampshire County Council's record retention schedule.

A copy of Hampshire County Council's record retention schedule can be obtained from the School Business Manager (see contact details below).

Data sharing

We do not share information about you with any third party without your consent unless the law and our policies allow us to do so. Where it is legally required or necessary (and it complies with data protection law) we may share personal information about you with:

- *Government departments or agencies – to meet our legal obligations to share information about governors*
- *Our local authority – to meet our legal obligations to share certain information with it, such as details of governors and for processing of Disclosure Barring Service*
- *Police forces, courts – where safeguarding concerns arise*

Transferring data internationally

Where we transfer personal data to a country or territory outside the European Economic Area, we will do so in accordance with data protection law.

Use of your personal information for marketing purposes

Where you have given us consent to do so, the school may send you marketing information by e-mail promoting school events and campaigns that may be of interest to you. You can "opt out" of receiving e-mails at any time by contacting our data protection officer.

Your rights

How to access the personal information we hold about you

Individuals have a right to make a 'subject access request' to gain access to personal information that the school holds about them.

If you make a subject access request, and if we do hold information about you, we will:

- Tell you why we are holding and processing it, and how long we will keep it for
- Explain where we got it from, if not from you
- Tell you who it has been, or will be, shared with
- Let you know whether any automated decision-making is being applied to the data, and any consequences of this
- Give you a copy of the information in an intelligible form

You may also have a right for your personal information to be transmitted electronically to another organisation in certain circumstances.

If you would like to make a request, please contact our data protection officer.

Your other rights regarding your data

To exercise any of these rights, please contact our data protection officer.
