

Headteacher: Alison Ternan
Deputy Headteacher: Brad Page
Date: 12th June 2026

School Attendance **Our Target:- 96%**
This week:- **Year 1**

Message from the Headteacher

Dear Parent/Carers,

Living by the sea is such a joy however, it also comes with its own dangers. We feel very strongly about educating the children about water safety (not just swimming) and with that in mind this week we have been joined by Water Safety Officers from the Coast watch in Lee-on-Solent- ask your child about they learnt.

Tomorrow we have our sponsored fun run - the Norman gate will open at 10am (this will be the only way into the school playground). We look forward to cheering the children on - and the sun is due to be shining ☺

Next Tuesday is whole school Sports Day - the cycle track gate will be open to parents at 9am, after the races we invite you stay and have a picnic with your child - the kitchen will only be offering a picnic lunch, no hot option on Tuesday. Once the award ceremony is over at approx. 1.30pm (you can take your child home then, once they have been dismissed by your child's teacher). Children are to come into school wearing their PE kit.

Wishing you a lovely weekend, Alison Ternan

Summer is on its way!! The children love at lunchtime to have an ice cold treat on those hot, summer days!! **If you would like to donate a packet(s) of ice-pops** to help with this year's treats – pop your donation into the School Office.

If you can, please donate a pack, *Thank you to the families that have helped so far!*

NEW MENU SCHOOL MEALS WEEK COMMENCING:- 15th June 2026

WEEK COMMENCING:- 15 th June 2026				WEEK 3

NEW - Medical/Cultural Special Diets – If your child requires a special diet, you MUST advise the school office. Information will then be given to you to complete. Medical evidence may be needed. Our School Kitchen (Chartwells) will NOT provide a meal other than a Jacket Potato until a specific menu has been organised and approved.

On Wednesday, the children had a visit from HM Coastguard to talk about Water Safety. Please note the advice given for when near water/ at the beach. Discuss with your child what they have learnt.

Summer WATER SAFETY

BEACH FLAGS

The beach flags are displayed by the Beach Lifeguards in patrolled areas to provide guidance on the water and the wind conditions. The flags also inform beach users where the swimming and water sports zones are located.

RED AND YELLOW LIFEGUARDS ON DUTY
Between the flags is the safest place to swim

RED DANGEROUS AREA
Lifeguards are not watching this area
Do not swim here

BLACK AND WHITE WATER SPORTS AREA
Do not swim here

ORANGE WINDSOCK SHOWS THE DIRECTION AND STRENGTH OF THE WIND
Beware of winds blowing out to sea

#ENJOYWATERSAFELY

Beach Safety Tips:-

1. Choose a lifeguarded beach
2. Check local signs & flags for risks
3. Know your location (*Check for landmarks etc*)
4. Remember to **FLOAT TO LIVE**
5. Look after each other
6. If you get in trouble at the beach, call 999 and ask for the Coastguard.

The RNLI's *Float to Live* rule is the most effective way to survive an unexpected plunge into cold water.

- **Fight the urge to swim hard:** Thrashing or swimming against the current drains energy and leads to panic or drowning from gasping.
- **Lean back:** Tilt the head back so the ears are submerged in the water.
- **Spread out:** Extend arms and legs in a starfish position.
- **Breathe normally:** Relax and take steady breaths until the initial shock wears off.
- **Call for help:** Once breathing is under control, raise a hand to wave and shout for help or swim to safety.
